9. Enter OTP received on registered Email ID.

The screenshot shows the Nainital Bank website's user authentication interface. At the top, the bank's logo and tagline "amulya rishto ka atoot bandhan" are visible. A green banner at the top of the form area says "Enter the one time password (OTP) sent for authentication." The form is titled "User Authentication Details" and has a sub-header "Enter Email OTP". Below this, there is a text input field for the "One Time Password*" with a masked value "*****". To the right of the input field, it says "OTP will expire in 04:25 mins". Below the input field is a numeric keypad with digits 0-9, a backspace key, and an "Accept" button. To the right of the keypad are two red buttons: "RESEND OTP" and "CONTINUE".

10. Click on Continue to move to Change Password Screen

The screenshot shows the Nainital Bank website's "Change Passwords" page. The page has a header "Change Passwords" and a "Password Policy" section. The policy states: "Password must meet the following requirements:" followed by six numbered rules. Below the policy, there is a dropdown menu labeled "I want to Change*" with the option "Both" selected. Under this, there are two sections: "Signon Password" and "Transaction Password". Each section has a "New Password*" field and a "Retype New Password*" field. The "Signon Password" fields have a strength indicator with three yellow dots. The "Transaction Password" fields have a strength indicator with three yellow dots and the word "Fair". At the bottom right of the form is a red "SUBMIT" button.

11. On successfully resetting the password Confirmation screen will appear, along with the Confirmation SMS on the registered mobile number.
